Vocab Practice: Worth 30 points

Pick 3 of the following.

They are due on the day of the Vocabulary Quiz.

Write that date here: \_\_\_\_\_

1. Pick 4 of the words and fill in the frayer model paper (get it from me)
2. Write each word 20 times in good handwriting or cursive handwriting.
3. Use 6 of the words in their own separate sentence correctly.
4. Create flashcards of every Vocab word. (You can use index cards or cut regular paper)
5. Find examples of 3 of the vocab words in real life. On a separate piece of paper describe where you see them using complete sentences.
6. Create a cartoon about 1 of the vocab words, put it on its own paper and include a colored drawing and a caption. (do neat nice work)
7. Write down each word with its definition on a separate paper.
